CORE SKILLS

- Flutter Development
- Firebase & Firestore
- MySQL Database
- Git & GitHub
- Php

Supporting Technical Knowledge

- Programming & Web:** Flutter, JavaScript, HTML, CSS, Java
- Databases:** MySQL (basic queries)
- Operating Systems:** Ubuntu, Windows
- Tools:** Android Studio, Git, GitHub, VS Code, Microsoft Office Suite

Certifications:

- Harvard CS50x
- LinkedIn Learning

LANGUAGES

- English (Fluent)
- Urdu (Native)

REFERENCE

References available upon request.

PROFILE

Computer Science student at COMSATS University Islamabad with practical experience in Flutter, PHP/Laravel, Java, Firebase, and MySQL. Built full-stack web, mobile, and desktop applications including a Vehicle Service Management System and Study Saga educational app. Strong foundation in OOP, databases, software engineering, and problem solving. Seeking Software Engineering Internship opportunities.

WORK EXPERIENCE

Smart Vehicle Service Management System (Semester Project)

- Developed a web-based vehicle service management system using PHP, MySQL, HTML, CSS, JavaScript, and Bootstrap.
- Designed and implemented vehicle profiles, service history, maintenance reminders, and service cost tracking modules.
- Generated PDF service reports and developed an analytics dashboard for monitoring maintenance activities and expenses.
- Implemented role-based access control for administrators, service staff, and customers to ensure secure system management.

Study Saga Mobile App (Flutter/Firebase)

- Developed a role-based mobile learning platform using Flutter, Firebase Authentication, and Cloud Firestore.
- Designed a responsive and user-friendly interface with secure login and real-time data synchronization.
- Implemented role-based access for students and teachers, enabling efficient learning management and content delivery.

Hospital Patient Management System (OOP)

- Developed a patient management system using Java Swing.
- Implemented patient registration, search, and discharge modules.
- Applied OOP principles for a structured and maintainable application.

EDUCATION

Comsats University Islamabad
Bachelor's Degree in Computer Science

2024 - 2028
